## Join the C.L.E.A.N. Graffiti Abatement Program

# C.L.E.A.N.

Are you tired of seeing our public spaces littered with graffiti? Are you also tired of seeing multi-colored patches that cover up the vandalized areas? The City is offering a new program to address these issues. C.L.E.A.N. Daly City has now been expanded to include graffiti abatement. Save the date for the kick-off event on Saturday, October 28, 2023, from 9:30 AM to 12:30 PM.

Sign up at [www.DalyCity.org/CleanChampion](http://www.DalyCity.org/CleanChampion) to be a C.L.E.A.N. Champion. C.L.E.A.N. Champions will be notified of upcoming scheduled projects in targeted areas. However, if you are interested in forming a volunteer group outside of a scheduled event, please contact [CityManager@DalyCity.org](mailto:CityManager@DalyCity.org).

Summer 2023

## Organics Recycling Reminder

California residents and businesses are required to recycle organics according to Senate Bill (SB) 1383. This includes food waste, green waste and food-soiled paper products. To comply, simply place accepted items like food scraps and green trimmings in the designated green compost cart. Republic Services will collect the materials and convert them into compost for community use!

Please note that certain items are not accepted in the **green cart**, such as plastics, aluminum, hazardous waste and pet waste. To ensure compliance with SB 1383, contamination levels in waste carts will be regularly monitored by Republic Services staff. For any inquiries or assistance with proper sorting, you can contact Republic Services at (650) 756-1130 or send an email to [InfoDalyCity@RepublicServices.com](mailto:InfoDalyCity@RepublicServices.com).

### Acceptable

Bread, rice, grains, and pasta  
Bones and shells  
Coffee grounds & tea leaves  
Egg shells  
Floral trimmings  
Fruit and vegetable peelings  
Meat, poultry, fish  
Table scraps

### Aceptables

Pan, arroz, granos y pasta  
Huesos y conchas  
Café, filtros y bolsas de té  
Cascaras de huevos  
Recortes florales  
Cascaras de fruta y vegetales  
Carne, aves, y pescado  
Pedazos de la comida de la mesa

**Not Acceptable**  
Bathroom tissues  
Foil  
Garbage  
Glass  
Grease  
Hazardous waste  
Liquids  
Metal  
Plastic containers  
Soil  
Styrofoam

**Inaceptables**  
Papel del Bano  
Lamina fina de metal  
Basura  
Vidrio  
Grasa  
Desecho peligroso  
Liquidos  
Metal  
Contenedores de plásticos  
Tierra  
Plástico esponjoso

Remember, by responsibly recycling organics and following the guidelines set by SB 1383, we can contribute to a more sustainable and environmentally-friendly California.

## Community Outreach Sessions

In June, the City held 14 Community Outreach Sessions across the City for community members to engage with city officials, ask questions, share feedback and offer suggestions within their communities. City staff appreciate the feedback and will be looking into various items of importance in each neighborhood.

If you missed the community outreach sessions, please email your questions, concerns or feedback to [CityManager@DalyCity.org](mailto:CityManager@DalyCity.org) or request to schedule an appointment.

## Spread the Word About Vision Zero

Daly City is working to eliminate fatalities and serious injuries on our roads. We need your help to spread the word! Residents of Daly City are eligible for a FREE Vision Zero yard sign.

Let your neighbors know that you support safer streets by visiting [www.DalyCity.org/VisionZero](http://www.DalyCity.org/VisionZero) to request your yard sign today.

## Important Water Rate Information

**The Low Income Household Water Assistance Program**

Learn more: <https://www.csd.ca.gov/waterbill>

Effective July 1, 2023, water rates have been adjusted by 4%. There are various assistance programs available. The Water Rate Assistance Program is a Daly City funded assistance program for water services. Eligibility is based on household income and qualifying applicants may receive a credit on their Water Bill that equals the increase in the rates approved by Council.

Please visit [www.DalyCity.org/WaterRates](http://www.DalyCity.org/WaterRates) for more information on this City funded assistance program, as well as additional assistance programs for residents in need. You may also contact the Department of Water & Wastewater Resources at (650) 991-8200. Multilingual staff are available to assist.

## Summer Learning Opportunities at Your Library

The Library's Summer Learning Challenge began on June 1. This free program is a great way to get or keep your family reading, exploring and learning over the summer. Join at your local library or catch us out and about at schools, malls and community events. Every child who participates gets a free book and log, and when they complete the log, they will get another book and be entered into the end-of-summer \$1,000 scholarship drawing. Complete more logs for more chances to win! Special events and hands-on activities are scheduled each week; visit [www.DalyCity.org/Library](http://www.DalyCity.org/Library) for more information.

The Summer Learning Challenge helps your child beat the "summer slide," the loss in academic achievement gains made during the school year. Research shows that children can fall back one to two months in reading skills during the summer break. The slide is cumulative, so by fifth grade, summer learning loss can leave students years behind.

This Library program runs until August 31. Join anytime during the summer!

## Tips for Managing Tall Grass and Weeds

As we enter the upcoming dry months, here are some simple tips to help you manage tall grass and weeds:

- Make sure to mow your grass and trim or pull weeds when they grow taller than 12 inches.
- Dispose of the grass clippings and fallen leaves properly to prevent them from being blown away on windy days.
- Regularly clear away dirt and soil that gets displaced from gopher holes on the sidewalks bordering your lawn.
- Plan and schedule regular yard maintenance for both the front and backyard areas.

## Work With the Arts & Culture Commission

*Are you an artist?*

Are you interested in working with the Arts & Culture Commission? Visit [www.DalyCity.org/ArtsAndCulture](http://www.DalyCity.org/ArtsAndCulture) to submit an interest form.
