Robberies

There were two robberies during the past week.

On Wednesday, 11-01-23, between 7:00 p.m. and 7:30 p.m., at the **Kentucky Fried Chicken** parking lot at **Skyline Plaza**, a victim met a suspect and entered a van to purchase marijuana. After the victim communicated he did not want to purchase any marijuana, another suspect in the front passenger seat turned around and pointed a gun at the victim. The victim was robbed of his gold necklace, iPhone 14, and wallet, all worth approximately \$30,500. This investigation is continuing.

On Thursday, 11-02-23, at approximately 2:50 p.m., officers were dispatched to **Lucky Supermarket** on **Mission Street** on a report of a robbery. A manager stated that he saw two suspects enter the store with large empty bags. Both suspects placed laundry detergents in their respective shopping carts. The manager approached one of the suspects and asked the suspect to leave the merchandise. The suspect responded with, “Stay away, or else I’m going to f*ck you up.” The suspect went to another aisle, where the manager grabbed the shopping cart and demanded the suspect to leave. The suspect pushed the shopping cart toward the manager, which caused the manager to fall to the ground. While the manager was on the ground, the suspect kicked him in the face. The manager said he was also dragged by the shopping cart, and his fingers were caught, which caused injury to his hand. Both suspects fled the store, heading south on Mission Street with approximately \$290 worth of stolen detergent. Officers eventually located and arrested both suspects. The suspect who kicked the manager, a 31-year-old San Francisco resident, was arrested and booked into jail for robbery, conspiracy to commit a crime, and outstanding warrants. The other suspect, a 27-year-old San Francisco resident, was arrested and booked into jail for burglary, conspiracy to commit a crime, and an outstanding warrant.

Nextdoor.com

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! www.nextdoor.com
