

Annette Hipona
Elected City Clerk, Community Activist

For the past 16 years I have proudly served you as the People's Clerk, guarding public records, ensuring that information is accurately recorded and protected from undue political interference. I've honored your confidential requests for public information so you can exercise your full rights without fear of retaliation.

I'll continue to defend Daly City Clerk as an independent elected position controlled only by you, the voters.

In our city's 113-year history, I'm the only Daly City Clerk to have earned a Professional Municipal Clerk Certification.

I continue to effectively and efficiently lead Office of the Daly City Clerk with one fewer staff position than previous Daly City Clerks. We have integrated new technologies that provide the public with greater access to Daly City services.

By doing extra Passport work prior COVID, my staff and I earned more than a million additional dollars to support essential Daly City services.

I've been a lifelong community activist, as a young parent in our schools, neighborhood association President, as Jefferson Elementary School Board President, and as your elected Daly City Clerk.

My family is a celebration of Daly City's cultural diversity. My heritage is European, my husband Alfonso is Filipino and Mexican, we have three adult children.

**Re-elect K. Annette Hipona, Daly City Clerk.
Together we can make democracy work.**
