

Name: Teresa Proaño

Occupation: City Councilmember/Businesswoman

Education: Associates of Arts Degree with Honors, Skyline College

I'm honored to serve as your Daly City Councilmember. I was appointed councilmember April 1st. I'm a life-long resident. My husband and I raised our three children here and are proud grandparents to six.

Since my appointment, the city council has collaborated successfully to serve Daly City residents. We approved a balanced budget without layoffs or cutting essential city services. I'm focused on excellent police, fire, and city departments; affordable housing; permanently fixing streetlights; parking overcrowding, homelessness, Seton Hospital, keeping seniors and youth active and safe, and ensuring fiscal responsibility.

My experience as a Planning Commissioner and Parks & Recreation Commissioner, along with volunteering for Seton Foundation, Skyline College President's Council, Lions Club, Library Associates, Chamber of Commerce, and many more prepared me to serve at city hall.

You may also know me from my 25 years at Duggan's Serra, or my singing at St. Andrews, Our Lady of Mercy, Holy Angels, and Our Lady of Perpetual Help churches.

I'm supported by Congressman Mullin, Supervisor Canepa, Mayor Manalo, Councilmembers Daus-Magbualand Sylvester, former Mayors Guingona, Tissier, and Torres to name a few. I'm endorsed by Daly City Police and Fire. I love Daly City. I'll work for equality and fairness for all. www.TeresaProano.com
