

NAME: Theresa T Faapuaa

OCCUPATION: Master Teacher, School Board Trustee

My name is Theresa Faapuaa and I am a proud single mother of 2 young men, born in American Samoa. My parents were both serving as hard working individuals in the community, mom as a teacher and my dad as a mechanic. I knew then how important their roles were not only supporting our family but throughout the community, which makes me aware of how life is daily.

I am actively involved and serving in the Church of Jesus Christ of Latter Day Saints, as a volunteer, life group leader in the community. As an appointed Bayshore School District trustee, former Library & Parks Trustee, and currently as Vice Chair of Planning Commission I had gained experience and knowledge of finances, reviewing budgets, contract negotiations.

My priorities are simple: help Daly City provide and support public safety, smart planning, balanced sustainable budget, supporting small businesses and partnering with local schools, Keep Seaton Medical Seton open. With a fervent passion to serve I would like to create affordable to free programs for all.

Humbly asking for your vote.

Endorsements: Daly City Firefighters and Police, health care workers, veterans Council Member Pamela DiGiovanni and more.
